Present at the Premier African Mining Event in London UK

Present at our 4th Annual Investing in African Mining Seminar in London, UK – the premier platform for reaching a senior-level audience of international mining and financial executives with an interest in mining in Africa.

Standard Bank has been the Premier Sponsor for the seminar since its inception. The full-day seminar takes place at the 5-star Andaz Hotel in central London on Monday November 29, 2010 – the day before Mines and Money. 55% of our audience consists of senior-level financial executives (analysts, investment banks, fund managers, etc.) and mining executives – all with an interest in mining projects in Africa. 60% of the audience is from the UK, 16% from Canada, 11% from Africa and 8% from the rest of Europe.

The quality of the presentations has been excellent – interesting, relevant and topical ... enjoyed the case studies.
